### Update to the Accreditation, Page 4 of the catalog.

The Diagnostic Medical Sonography program is accredited by the Commission on Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of JRCEDMS Committee on Accreditation.

### Update to Transfer Credit Policy page 9

Transfer of Credit

Transfer of credit is always the decision of the individual college or university and is controlled by the receiving college. Accreditation does not guarantee transfer of credits. Applicants requesting credit earned for previous training at another post-secondary institution must submit sealed official transcripts to the Registrar with 30 days of starting a program. In order to be considered, the institution where the credit was previously earned must be accredited by an agency recognized by the United States Department of Education and/or the Commission for Higher Education Accreditation (CHEA).

CLEP is not accepted for Transfer Credit.

#### Advanced Standing/Proficiencies

The following courses require a grade of a B or higher for transferability:
