In order to maintain our high level of transparency Cambridge Institute has created a separate bank account that is receiving the funds from G5 funded by the Department of Education. This bank account is labeled Federal Emergency Grant fund to ensure that funds are not mingled with operational funds. After notification that there would be a HEERF II the school revised the policy and starting with any new applications received on and after 01/01/2021 the EFC methodology mentioned in previous disclosures will not be used. If the student had a valid ISIR in the system (valid = an EFC calculated on ISIR) the student will receive a onetime max award of \$1500. As guidance is published we will continue to modify our process to remain in compliance.

Students will receive an email informing them of the total award eligibility as well as an estimated date of disbursements. All Cambridge Institute students will receive their total award amount in one disbursement. Students have been informed that they need to be enrolled and in good academic standing per Federal regulations in order to receive their disbursement.
